

Phase 3: Iterative Development

```
graph LR; A[ ] --> B[Iteration 3: Intelligence]; A --> C[Iteration 4: Business Logic];
```

The diagram illustrates the iterative development phase. A horizontal blue line spans the width of the slide. Below this line, a yellow rectangular box on the left side has a curved arrow pointing to a blue box labeled 'Iteration 3: Intelligence'. From the bottom of the 'Iteration 3' box, a line extends downwards and then branches into two arrows, each pointing to a separate blue box: 'Iteration 3: Intelligence' and 'Iteration 4: Business Logic'.

Iteration 3: Intelligence

Iteration 4: Business Logic
